

Territory Manager – Farm Animal Western Australia

An exciting new opportunity exists to join Australia's Animal Health Company as a Territory Manager Western Australia.

Jurox is looking for highly driven sales professional, experienced in dealing with Rural Distributors, Graziers and Veterinarians.

You will enjoy the challenge of operating a large territory, representing a diverse product range in the OTC & Veterinary channel with a focus on South West Western Australia.

Essential Requirements:

- Proven Sales/Territory Management experience
- Highly motivated and possessing the exceptional organisational ability required to manage a large territory
- Demonstrate a thorough understanding of the Western Australian sheep, beef and dairy production systems
- Excellent communication skills
- Willingness to travel
- Proficient use of Microsoft Office and Outlook
- Tertiary education (preferred)

A competitive salary package including a fully maintained company vehicle, laptop and mobile phone are on offer along with the opportunity for further personal development with the company.

Jurox is a 100% Australian owned, research-based company operating in the animal health and rural industries. Our products are sold to veterinarians, rural merchandise outlets and consumers. The company spends approximately 15% of its revenue on research and development in Australia.

Applications or requests for further information should be sent to:
